

# iPhone/TrustWallet Step by Step from Bitcoin to DBTycoon

**Step 1:** Go to: <https://simpleswap.io>

**Step 2:**

The **\*You send\*** box is by default set to Bitcoin, but you can choose a different coin as shown in next pic.

If you aren't sending Bitcoin, you can choose others.

**Step 3:**

In the **\*You get\*** box ... click the drop down and type BNB in the search bar.

It will pop up – click on that to auto fill.

#### Step 4:

In the \*You send\* box, enter the amount you are sending.

#### Step 5:

Go back to your Trust Wallet and click on BNB.

#### Step 6: Click on \*Receive\*.

### Step 7:

Click on \*Copy\*

### Step 8:

Paste in the \*Enter the recipient's Binance Coin address\* box

Very Important ... before you proceed ...

**ALWAYS TRIPLE-CHECK YOUR WORK**

Make sure all #s are absolutely correct.

Now, click \*Exchange\*

### Step 9:

Click on \*copy\*

**Step 10:**

Click on Bitcoin

**Step 11:**

Click on \*Send\*

**Step 12:**

Click \*Paste\* in the Recipient Address box.

Enter the amount in the BTC Amount box. It MUST be exactly the amount you originally entered on Step 4.

Click on \*Next\* then

Click \*Confirm\* on the next page.

### Step 13:

When your BNB balance shows up in your TrustWallet,  
Then click on \*BNB\*

### Step 14:

Click on \*Swap\*  
Click on \*Swap to Smart Chain\*

### Step 15:

Click on the 0 in the \*You Pay\* box and put in the amount of BNB  
that you want to swap to the Smart Chain.

Your Smart Chain tokens will appear here.

## Now it's time for Pancake Swap!

**Step 1:** Open <https://pancakeswap.finance/swap> in your Browser.

**Be very careful** - there are several pancake swap scam sites that will steal your tokens. Please be sure you are on the correct site.

**Step 2:** Click "Connect Wallet" in the upper right corner.

**Step 3:** Click "Wallet Connect"

**Step 4:** Click "Trust"

**Step 5:** Click "Connect"

Then you'll see this.

**Step 6:**

Go to Settings (gear symbol at the top.)

Set the Slippage to 0.1%.

Disregard the notice that says "Your transaction may fail".

**Step 7:** Back in your browser, in the \*FROM\* Box, it will show your BNB balance in the top right corner.

In the \*From\* box, click on the 0.0 to enter the amount you want to spend.

In the bottom \*To\* box, click "Select a currency"

**Step 8:**

If this is your first time, copy and paste the contract address in the search bar.

After the first time it will show and just click on the DBTYCOON

The bottom \*To\* box will auto-populate with your token balance and the estimated tokens you will receive based on the amount you previously entered in the \*from\* box.

**Step 10:**

Click \*Swap\*

PancakeSwap will ask you to confirm, then ... Trust Wallet will open and ask you to confirm again.

**STEP 11:** Leave Pancake Swap open until you see the completed hash and the new tokens are in your Trust wallet.

Happy Dance Time! 😄
